Online Registration System

All Program Registration is now being done by our patrons through our Online Registration Module available on the Home Page of our Website: www.salmonarmrecreation.ca.

If you have registered yourself or family members for activities such as swim lessons in the past few years, you will likely already have an account. Please do not set up a second account. Should you be unable to access our online services, cannot remember your password, or are uncertain as to whether you have an existing account, please call our reception staff at the number shown below and they will assist you.

If you do not have an account set up as of yet, go to our website and select the Online Registration icon on the home page. Once logged in, follow the prompts to create a new client and add family members to set up your family account.

The system will ask for the following information in order to set up an account for you: full name of primary account holder, email address, phone number, date of birth and address. You will then receive an email with a temporary password, and the system will direct you to set up your own password when you login.
